

## Special Educational Needs and Disabilities in NE Lincs

Parents/carers weekly NE Lincs SEND meeting with partners from education, health and social care.

DATE 09/12/2020

### This week in NE Lincs

In NE Lincs this week the Combined Primary and Secondary Attendance is 88.5% compared with 86.2% nationally, meaning we are above the national average.

#### Additional School Inset Day

Schools can if they wish introduce an Inset day on 17<sup>th</sup> December 2020 the last Friday of term, to ensure staff get a proper break over Christmas. Addressing the Commons Education Select Committee, Schools Minister Nick Gibb said the Department for Education (DfE) wanted schools to stay open until the end of term as that was the best place for young people, but the department also wants there to be a "clear six days" so that by Christmas Eve staff can have a "proper break".

### EHCP Hub

Last week some parents reported having issues logging on to the new EHC Hub, but these issues have now been resolved.

When parents/carers first register to use the Hub, they have to set up 2 factor authentication this is either by way of a QR Code or a 6-digit code text to them. This is to ensure the details within the Hub are kept safe/secure. Information to support parents/carers has been added to the Hub and it is also part of the email that is being sent out to parents/carers when their child's EHCP is added to the Hub. If parents/carers or professionals do experience any difficulties, please contact [siobhan.hardy@nelincs.gov.uk](mailto:siobhan.hardy@nelincs.gov.uk)
